## Powys Local Development Plan (LDP) 2011-2026

### Focussed Changes Representation Form, January 2016

It is recommended that representations are made on this standard form. More copies are available at Powys Council offices and at local libraries where the Schedule of Focussed Changes is available for public inspection or online at [www.powys.gov.uk](http://www.powys.gov.uk) (Planning Policy/LDP pages).

Please complete Sections 1 and 2 of this standard form; it only needs to be done once. For Section 3 you will need to use a **separate** form for each representation on each focussed change that you wish to make and attach it to sections 1 and 2.

Send your completed form to:

**Powys LDP Team**  
**Planning Policy**  
**Powys County Council**  
**The Gwalia,**  
**Llandrindod Wells,**  
**LD1 6AA**

or via email to [ldp@powys.gov.uk](mailto:ldp@powys.gov.uk)

Representations must be received by **4.30pm, Friday 11<sup>th</sup> March 2016**.

Representations at this stage must **only relate to the Focussed Changes**. Representations should not propose further changes to the Deposit LDP 2015; any such representations will be disregarded as they should have been made during the earlier stages of the Plan preparation. Duly made representations will be forwarded to the Planning Inspectorate for consideration by the Inspector appointed to examine the soundness of the Plan.

### Group Representations

Where there are groups who share a common view on how they wish to see the LDP changed, it would be very helpful for the group to send a single representation which represents that view. (Repeating the same points numerous times will not add weight to the case being made). Groups should indicate how many people they represent and how the representation has been authorised. The group's representative should be clearly identified.

Among our critical observations about monitoring, we noted that there was no monitoring of applications, planning department function or outcomes related to:

**natural heritage and biodiversity**

**landscape**

**tourism and rights of way assets**

**intensive agriculture projects**

No AMRs have been added to cover these topics and correspond to new policies set out in the focussed changes.

Outline what changes are needed to the Focussed Change to make the LDP sound:

We are resubmitting our comments on the monitoring material in the 2015 DDLDP

#### Section 4: After making your representation

Receipt of your representation will be acknowledged by the LDP team at Powys and it will then be forwarded directly to the Planning Inspector.

Everyone that wants to change the Plan can request to appear before and speak to the Inspector at a 'hearing session' during the public Examination. However, you should bear in mind that your "written representations" on this form will be given the same weight by the Inspector as those made verbally at a hearing session. Please note that the Inspector will determine the most appropriate procedure for accommodating those who want to provide oral evidence.

**a) Do you want your comments to be considered by "written representations" or do you want to speak at a hearing session of the public examination? (Please tick one of the following):**

i) ~~I do not want to speak at a hearing session and am happy for my written comments to be considered by the Inspector.~~

**b) If you wish to speak, please explain what you wish to speak to the Inspector about.**
